Venue overview

Event App

Enhance your visibility through the event app available to all attendees

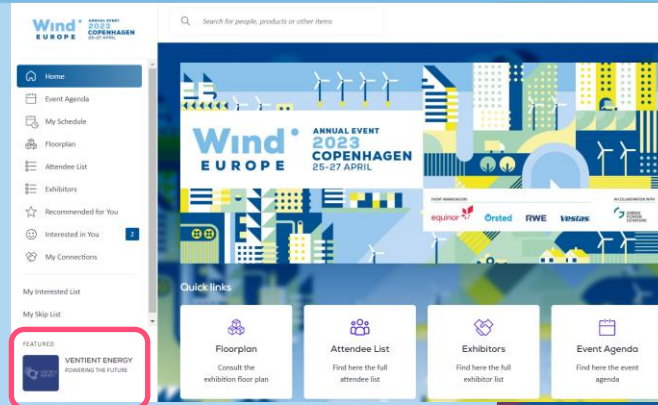

The Event App will be available to all registered participants who wish to connect with exhibitors and other attendees, get the latest information on the conference programme and use the online floorplan as a wayfinding tool.

Benefits for your visibility:

- Prominent logo display on the landing page of the Event App;
- Logo visibility on the conference programme, exhibitor list and menu bar of the Event App;
- Your exhibitor profile highlighted in the exhibitor directory;
- Your company name and headline in the Event App's welcome email sent to all registered participants.

NRG Systems

Across the globe, we're here for you.

About us

We are NRG Systems.

We have been in the wind and solar measurement business for over 40 years. Our history is a heritage of innovation, meeting the needs of our customers and delivering solutions that are designed to be successful over the long term. We also provide a range of design, installation, and operational services to support our products for both onshore and offshore.

Our measurement systems, turbine control systems, Balancing Systems, and Solar remote sensors can be found in more than 170 countries.
